SCY SPMS Meets:

All Meet Directors/Hosts for SPMS SCY Season have been communicated with regarding sanctioning requirements and expectations for equipment (watches, lap counters, etc...), awards, and deck marshals. We have had 7 meets so far in 2015 (6 sanctioned, 1 recognized). There have been no issues. Results have been posted to SPMS and USMS websites.

The SPMS Executive Committee, through emergency vote, reinstated the award for the 2015 SPMS SCY Championship to Santa Barbara Masters. The event will be held at the Elings Aquatic Center at Dos Pueblos High School in Goleta. We have been in communication with the Meet Director/Host to ensure a championship level meet.

Note: The California Senior Games Swimming Event in Pasadena on June 7th has been recognized.

I have been attending and swimming as many meets as my schedule allows. The meet directors have had no issues with providing their own equipment, awards, and deck marshals. The meet administrators and meet referee/officials have been doing an excellent job - the meets have been run efficiently and in a timely manner. Results have been posted promptly and articles/pictures have been submitted to the Newsletter. I will be attending the SPMS SCY Championships at Goleta in April.
