

Records/Top 10/Meet Recorder Report – March 21, 2019

I have finished my company's busy season from December through February. I should be much more active in both the Meet Operations Committee and my projects until next December. One clarification from January's meeting: The Meet Operations Committee will be considering whether to establish SPMS Records/Top 10 times for the 25 yard events. I would encourage coaches and swimmers to give me your thoughts about 25 yard records so I can pass various opinions to the MO Committee.

The following is an outline of my current time goals for various projects:

GO THE DISTANCE – TOP 10 Best Annual Mileage by Age Group Through 2017– DONE AND ON WEBSITE

SCM RECORDS – DONE AND ON WEBSITE - The Individual and Relay Records have been updated through January 1, 2019. - Lists are by both Age Group and Events.
