

## **Top Ten Report - April 2020**

Since March 15, 2020, I have added the following meets to the USMS database:

(1) March 7 Caltech Pentathlon

I am about 75% done with reformatting and updating the following items for the SPMS website. These items should be completed by 4/30/2020.

- SCM Relay Records by Age Group, updated 3/1/2020
- SCM Relay Records by Event, updated 3/1/2020
- SCY Relay Records by Age Group (reformat only, last update=5/1/2019)
- SCY Relay Records by Event (reformat only, last update=5/1/2019)

The next set of records for the website present more of a challenge, as they do not appear to exist at all. I will have to go back as far as the USMS database permits to try to come up with a complete set of records. If anyone is aware of a set of LCM relay records, either on paper or in Excel, please let me know. It would be helpful to have a starting point...

- LCM Relay Records by Age Group
- LCM Relay Records by Event
