

JANUARY 2022 - Charles McPeak, Coach's Chair

Stroke clinic - past quarter

SEPT 5th 2021

SPP held a swim clinic at Glendale High School. 45 members of SPMS showed up to brave the heat. It was 111° on deck so I ended the clinic prematurely before the last section. The coaches, Joelle Murphy, Garrett Daniels, Juliana Riviera, Ashley Kramer, Pat Luangeaktrakul, Nathan Osborne and Bill Brenner were present for this clinic. They all did a fantastic job in tough conditions

Stroke Clinic and Coaching Certification coming on February 5th and 6th at Glendale High School. The link is on the SPMS site

Coaches Committee Zoom Call February 12 at 5pm (Zoom Link Coming)

Topics will be inclusion and coaching through a pandemic

I look forward to being your Coach's Chair and giving back to the sport that has done so much for me throughout my life. I appreciate this opportunity and I'm proud to be this year's coaches chair.
