

## SPMS Finance Committee Report, September 2022

---

1. The following grant requests have been received by the Finance Committee:
  - a. Piranha Masters: \$1500 for purchasing new EZ-ups that will be used to host clinics, meets, and practices. Extreme sun and heat in the Palm Springs desert mean these wear out quickly.
  - b. Mission Viejo Nadadores: \$1500 to cover awards and expenses for the 2022 SW Zone Meet - Zone funds were requested and allocated separately. This request is to pay the balance of the awards plus expenses for beverages.
  
2. There will be an Open Meeting of the Finance Committee sometime in the near future. Bear with me, y'all. It's been a rough fall semester.
