

Below is the summary of our "WH2O Lanemate Swim Clinic Caps" submission to SPMS. I have also attached the quote, and design mock-up.

- **Reason for purchase**
  - To provide swimmers with swim caps during our Lanemate swim clinic in May
  - Background on the Lanemate project:
    - This amazing initiative was founded in 2019 by Rook Campbell and is a Trans and Nonbinary Swim Clinic created in collaboration with West Hollywood Aquatics (WH2O).
    - We truly believe that swimming should be accessible to everyone, regardless of gender, race, sexual orientation, or ability.
    - With the motto "Swimming is for all bodies and genders", LANEMATE and WH2O strive to create an inclusive space where all are welcome
    - <https://www.wh2o.org/page/lanemate>
- **Quantity requested**
  - 40 silicone caps
  - 20 latex caps
- **Cost per unit**
  - \$7.25 for each Silicone cap, \$290.00 for 40
  - \$4.65 for each Latex cap, \$93.00 for 20
  - Minus a vendor credit of (\$72.50) from a previous purchase
  - Total \$310.50
- **The cost you are asking SPMS to approve/cover**
  - **\$350**
  - \$310.50 for the swim caps and \$39.50 for any potential taxes and shipping not yet quoted to us. We will send the final invoice after we make our purchase in the next week or so.
  - Final invoice will probably be less than \$350, but we rounded up just in case.
